PRAY.

Pray a spirit of boldness over me, as well as a spirit of humility, as I step into full-time ministry with OSU BCM. Specifically, pray that I would rely solely on God rather than my own understanding. Pray for open hearts among college students, and that they would come to know and love Jesus. Pray that the women's ministry would reach women across OSU's campus. Pray that the Lord would come and move through OSU BCM. Pray for protection and stamina for our entire staff as we continue to seek the welfare of the campus by proclaiming the name of Jesus.

PARTICIPATE

You can participate in the mission of OSU BCM by committing to regularly praying for our students, staff, and me. You can also participate in the mission of OSU BCM by financially supporting me. Your financial support allows me to stay on mission and proclaim the name of Jesus across the campus of Oklahoma State University!

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

About the Family

Hi! My name is Kylie and I grew up in the small town of Morris, Oklahoma. I'm the youngest of three sisters and the daughter of two loving parents who brought me to church every Sunday. Their love and devotion to Jesus is what inspired my faith. After graduating from Morris High School, I moved to Stillwater to attend Oklahoma State University (OSU), where I pursued a degree in nonprofit management and became heavily involved with the Baptist Collegiate Ministry (BCM). Since graduating, I am transitioning into full-time ministry with OSU BCM.

OSU BCM is a ministry that has truly grown my faith and has provided me with a Christlike community. It is the greatest privilege to continue serving the ministry that has done so much for me, and I am excited to ask you to partner with me on this journey through your prayer and financial support.

About My Ministry

My ministry with OSU BCM specifically focuses on women. As the leader of the women's ministry, my goal is to meet the women of OSU where they are and show them the love of Jesus. My team and I exist to reflect Christ's love and be the bridge that connects women to Christlike community. This will be done through events, community groups, and one-on-one discipleship.

My daily mission will include organizing women's events and discipleship groups, one-on-one discipleship meetings, and getting to know the women of OSU BCM better. I am honored to invite you to partner with me on this mission through your prayers and financial support. This support will allow me to remain fully dedicated to the mission of OSU BCM, which seeks to bring the gospel to every corner of OSU's campus.
