### PRAY.

Pray for churches and individuals to support our family on this great mission field. Pray for receptive hearts among the people in communities where we will serve and the hearts of the students. Pray for God to draw and win students in this school year and allow us to have deep relationships with the students and faculty on the campuses. Pray for churches and individuals to partner with missionaries and chaplains and to give of their time and talents. Pray for our family with housing, our children, making new friends and finding new churches to support our mission. Pray for provision of a handicap van for our family.

### PARTICIPATE

Connect as a Sending Church or a Supporting Church with us as we minister to college students. Come and serve alongside us for a weekend or a week. Support us through the North American Mission Board. Pray for college students and missionaries like us!

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

### About the Family

Hello! We are Chad and LaDonna Wilkin, and we have been happily married since 1997. We have three beautiful children: Josiah, Jocelyn and Jensen. Chad is an avid reader, a lifelong college student, it seems, and a super dad. He loves working with wood and carpentry projects, which is great because there is always a honey-do list. LaDonna is outgoing, creative and a graphics designer with a love for interior design. We love to host guests and be hospitable. Our home is happy when it is full. We love to play games and travel with our family. We have a love of lighthouses, and we try to plan any vacation where we can see a lighthouse and find good food.

Our oldest son, Josiah, is in a power wheelchair and has some physical disabilities. Though this is a challenge for our family, we believe God uses our family greatly because of it.

### About My Ministry

We love the mission God has given us on four college campuses in Terre Haute, Ind. As adult learners and going back to college, the connections we have made with other college students will forever leave an impression on our hearts. The need for Jesus on these campuses is immeasurable, and we are so thankful that God has called our family to love on this generation. During our 21-year marriage, one or both of us has been in college 13 years, so it only seems fitting for the Lord to continue our love and passion for a college campus and the students there.
