

Laura Dooley

GRANDVIEW BAPTIST CHURCH

About the Family

Phil and I enjoy laughing and finding adventure together, including hiking, running and anything outdoors. Phil has three grown sons, and we have five grandkids.

In addition to being the “trusty sidekick” and devoted ministry partner to my husband, I have served in many church ministry and administrative roles. I have a heart for encouraging women, especially pastors’ wives.

Phil successfully planted two new churches, one in Wyoming and one in Columbia, Mo. During those difficult years, God sent a steady stream of ministers of encouragement. We now seek to pay it forward!

Phil has coached church planters domestically and internationally in addition to serving in various pastoral roles, from being a founding pastor for 20 years, to serving churches as a transitional or interim pastor and as a chaplain with the Missouri Highway Patrol.

About My Ministry

With a primary focus in Montana, our mission is to multiply Christ followers who multiply Christ followers.

As evangelism catalysts, we see God calling us to share the good news of His amazing grace, to grow gospel-centered communities of Christ followers and to encourage new/struggling churches and their leaders.

We desire to work with local churches and/or in unreached or underserved areas to start Gospel Communities. A Gospel Community is a gathering of Christ followers whose primary focus is demonstrating and declaring the gospel to their neighbors and making disciples. Our truck and fifth-wheel trailer enable us to deploy on site to these churches and communities.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

- ◊ Pray we will boldly share the gospel and that the Spirit will draw those we encounter to saving faith.
- ◊ Pray for us as we encourage fellow Christ followers to live on mission.
- ◊ Pray for divine appointments.
- ◊ Pray for our physical and spiritual health and for protection from Satan's attacks.
- ◊ Pray pastors, their wives and their families will be protected from Satan's attacks, will be healthy in their marital relationships, will be encouraged in their own faith, and that their churches will grow in faith, leadership and resources so they can share the gospel within their communities.

PARTICIPATE

You are invited to partner with us in sharing the gospel. Contact us about joining our prayer team or newsletter list or for short-term missions opportunities. Our ministry is totally self and supporter funded. Please consider giving toward our travel and ministry related expenses.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
