CULTIVATE NYC

About the Family

After a trip to New York City in January of 2022, I knew the Lord was calling me to live on mission here. I moved to serve Harlem with Cultivate NYC in August of 2022. It is a blessing to be part of what God is doing in this beautiful, diverse city. I am excited to be here and appreciate all prayers or donations given!

Some of my favorite things to do are FaceTiming with my nieces, spending time with family and friends and exploring new parts of New York City I haven't seen before. I specifically love exploring at Christmas time!

About My Church Plant

I am a team member with Cultivate NYC, which is located in Harlem. The vision of Cultivate NYC is to lead every generation to know and follow Jesus. The Lord has gifted me with a passion for hospitality and young adults. I am eager to grow in these passions as my ministry continues in NYC!
