UNIVERSITY OF CENTRAL OKLAHOMA BAPTIST COLLEGIATE MINISTRY

About the Family

I grew up in Edmond, Okla., and graduated from the University of Central Oklahoma (UCO) in 2022 with a bachelor's degree in Interpersonal Communication with a minor in Spanish. After graduating from UCO I went on to get my graduate degree at Liberty University in 2024 and graduated with a Master of Arts in Applied Ministry.

My life and relationship with Jesus were changed by my time spent at BCM. I was discipled and equipped to walk personally with Jesus and reach those around me with the hope of the gospel. I developed relationships with some of my best friends there. My husband and I met at the UCO BCM, and we got married in April 2023! We both have a big heart for college ministry, and I am thrilled to have Him partner with me in this ministry!

About My Ministry

I will be serving at the UCO BCM as the Freshman Women's Director. I prayerfully desire to connect with these freshman girls and help disciple and equip them in their personal relationship with Jesus. BCM was the first place I found biblical community, accountability, was discipled, challenged, and sent on to further His kingdom. Through my time there, the Lord began to give me a heart for reaching college students! I am so thankful to the Lord for giving me the chance to pour back into a ministry that poured so much into me! I hope to encourage students in their personal walk with Jesus, helping to equip them to share the good news, disciple others, and fulfill the Great Commission on campus and in their daily lives.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray the students who are part of the UCO BCM ministry would have the boldness to proclaim the gospel on their college campus. Pray the freshman women of UCO would come to know Jesus personally, walk with Him daily and be equipped to reach students in their classes and on campus. Pray that through the UCO BCM, college students would find godly community and would come to a saving faith and live on mission. Pray God would strengthen and sustain the UCO BCM team as we witness on campus.

PARTICIPATE

Partnering with us in prayer for the UCO college students is so important and makes a huge impact! We are so thankful for all the prayers and encouragement as BCM strives to reach students with the gospel!

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
