LIVNU

About the Family

Kelly and I have been married since 2007. We have four children: Eliza, Leo, Ike and Naomi. We also have four dogs to round out a very busy household!

We currently live in Green, Ohio, and are very involved in our community. We are currently homeschooling, and our family loves to play games and take trips together. Some of our favorite destinations are the beach, Disney World and my family's farm on nearly 60 acres in West Virginia. We love music, sports, movies and creating new experiences together!

About My Church Plant

We started Livnu in August 2020 by meeting with a small group of people on the back deck of our home and have since grown to three churches. Our vision is: "to advance God's Kingdom by making disciples, multiplying churches, and reaching communities."

We are a network of micro-churches that focuses on generational discipleship through teaching disciples to make disciples. Our churches are developed and launched with multiplication as part of their DNA. Discipleship groups (Life Transformation Groups) and churches (home/micro) are kept intentionally small to facilitate deeper levels of spiritual formation, fellowship and multiplication. Once a Life Transformation Group grows beyond three or a micro/church grows beyond 20, it is time to multiply.

Once a month, we gather all the home churches for corporate celebration.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for strength and courage amidst attacks from the enemy.
Pray for our current relationship investment initiative that involves praying for, connecting with, and having gospel conversations with the people God places on the hearts of our churches.
Pray for God to raise up leaders for our churches.
Pray for God to provide all the funds and resources we need.
Pray that northeast Ohio would be saturated with the message of the gospel.

PARTICIPATE

Offer informational resources including books, curriculum, best practices, etc.
Offer financial support.
Offer encouragement including notes, cards, etc.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources.
Support a missionary financially.
