JERSEY BAPTIST CHURCH

About the Family

I have a bachelor's degree in human resources administration from Concordia University, a master's degree in business administration from Wake Forest University and have completed chaplaincy courses at both United and Ashland Theological Seminaries. Recently, I completed a chaplaincy internship at the Ohio State University Medical Center. I have been trained and licensed by the International Fellowship of Chaplains.

Last December, I retired after 48 years in healthcare, most recently serving as Associate Director of Pulmonary Research at Nationwide Children's Hospital where I also served as workplace chaplain. I am an active member of Jersey Baptist Church in New Albany, Ohio.

At home I live with my husband of 47 years, Chuck, and my 86-year-old mother. We have one son who is married with three children and lives 10 minutes from us.

About My Ministry

I was called to chaplaincy in 2002 and began training immediately. Over the years, I have served as a Stephen Minister and leader, interim chaplain at an assisted living facility, disaster relief chaplain/assessor and hospice chaplain.

My favorite Scripture growing up was Galatians 6:2, which tells us to "bear one another's burdens and so fulfill the law of Christ." I am most fulfilled when I am able to bear the burdens of those who are hurting or ill.

Currently I am actively involved in hospice care, serving as state coordinator for disaster relief chaplains, co-leading the GriefShare program at church, substitute Sunday School teaching and making knitted and crocheted hats and scarves that are distributed through St. Matthew's knitting ministry.
