PATHFINDER CHURCH

About the Family

I grew up in Arnold, California, and moved to Chico, California, in 2022 to attend college. I am married to my wife, Rebecca. She moved to Chico from Ridgecrest, California, and we met through a collegiate Christian ministry called Christian Challenge. We graduated from college in May 2026—me with a degree in Exercise Physiology and her with a degree in Public Health.

God shaped our lives through Christian Challenge while we were at California State University, Chico. We are excited to continue faithfully serving the Lord and experiencing more of His presence in a new city as we move to Reno, Nevada.

About My Ministry

We are on staff with Christian Challenge, Reno. We have served as student volunteers with Christian Challenge in Chico for four years and have seen God's faithfulness in using college ministry to save and transform the lives of hundreds of college students. Seeing the need for laborers on the University of Nevada, Reno's (UNR) campus, we will begin full-time ministry in August 2026 and seek to bring the good news to students in need.

More specifically, we will carry out Challenge's vision of one-on-one discipleship and evangelism to see students come to faith and grow as followers of Jesus.

- Find out how you can
- Pray.**
- Participate.**
- Provide.**

PRAY.

Pray that our marriage will grow to become more like Christ daily.
 Pray for deep dependence on God in a vastly new and different season of life.
 Pray for our effectiveness in reaching students.
 Pray for endurance and creativity as we serve in a new ministry.
 Pray that the students at UNR will see their need for a Savior!

PARTICIPATE

Prayerfully consider Challenge's ministry and the students involved.
 Sacrificially give to the work God is doing on UNR's campus.
 Share the gospel in your own sphere of influence!

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources.
 Support a missionary financially.
