OCEAN VIEW CHURCH

About the Family

Ten years ago, we moved to Ocean View Church thinking we would serve here for a couple of years. What we didn't expect is all of the amazing things God would do in our lives—all of the people he would allow us to meet, share the gospel with and invest in.

Most importantly, we had no idea that God would change our lives forever through foster care and adoption. We have adopted three beautiful kids, and God's grace is evident every morning we wake up and see their little faces. I have learned the importance of always being flexible and to expect the unexpected.

I never would have written the story of my life the way it has worked out, but I am thankful I serve a God who is called the author of life and who has written a greater story for me.

About My Church Plant

I have served at Ocean View Church for 10 years in every capacity. I am currently an associate pastor who oversees the event we call Friday Night of Hope. The program has several groups that are built around recovery, marriage, divorce, grief and family enrichment.

I have served as our Life Groups pastor, pastor of assimilation and student ministries pastor. I spent four years teaching at Ocean View Christian Academy.

I am also serving as a Send Network church planting intern, praying for replanting opportunities in our city.
