MESA CHURCH

About the Family

Hi! My name is Lois (Grace). I grew up in a military family with three siblings, moving every two to three years. I loved every bit of it! Meeting new people and experiencing different parts of the country was always exciting to me. Because I was homeschooled, I also had the opportunity to be involved in a variety of clubs and organizations throughout my childhood. After my family settled in East Texas following my dad's retirement from the military, I spent a few years in college. During that time, I felt God calling me into ministry. I joined the ministry leadership teams at both colleges I attended, which eventually led me to spend the summer of 2024 serving with GenSend San Diego.

In 2026, God called me back to California to join the church-planting team at Mesa Church.

About My Ministry

My ministry combines communications and community engagement, allowing me to support both the church and the surrounding community. Through communications, I help create and share content, support church events, and communicate the mission and ministries of the church in clear and engaging ways.

Beyond communications, I also have the opportunity to build relationships within our local community. This includes connecting with local businesses, organizations, and community partners to foster meaningful relationships and create opportunities for collaboration. I enjoy serving both behind the scenes and out in the community, using my gifts to help strengthen connections and support the mission of the local church.
