PRAY.

Pray for the safety and health of my family as we work together in ministry. Pray that the church will be established and will faithfully work to plant in other ethnic communities, too. Pray that the Lord brings faithful leaders who can help within the church. Pray for strength and wisdom for ministry. Pray that God may lead me to meet the right church leaders in terms of church planting cooperation.

PARTICIPATE

Encouraging fellow believers and introducing Christ to people who do not yet know Him is a great joy. I appreciate and enjoy the traditions and believers who have built up the church to where it is today. However, I believe we are also called to reach outward to people around us. We look forward to partnering with you so we can reach out to the community with the gospel of God in the Holy Spirit.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources. Support a church planter financially.

MISSION TORONTO (LIVING LIFE COMMUNITY CHURCH)

About the Family

I am married to Kim, who is a former clothing designer for toddlers. We have been blessed with three daughters; Stella (23), Ella (20) and Angela (17). They love music and traveling. I met Kim at a campus meeting, and we had a courtship of 10 years. Both of us were born in South Korea and moved to America in 2001.

Before coming to Canada in 2005, we lived in Virginia and Georgia in the U.S. for four years. The Greater Toronto Area has been our home for many wonderful years.

After I complete my doctoral studies at Knox College, we are partnering with Interserve, an international mission organization, to serve the Korean diaspora and new Canadians, in particular, Muslim refugees and unreached people groups. I love to meet people. I enjoy reaching out to new people to share the good news of Christ.

About My Church Plant

I became certain of my call to ministry during my time at university. During those years, I became more committed to the mission of God as a leader of law school students. The title I treasure most is being a minister of God's Word. This is a grace that propels me to serve God's people and motivates me to make an impact for God's kingdom.

After 22 years of serving in the church, I am still thankful to be serving God and the people of God as a minister of God's Word. I have focused my ministry on multiplying God's home into the fields of everyday life. In particular, I desire to reach out to the unreached people groups in North America. Currently, my church is reaching out to Persians, Yezidis and Tibetan peoples with the goal of planting ethnic churches.
