About the Family

We are the Cavolis! We are from Brazil, and we've been in the U.S. since 2021, when Thallyta began her studies here. We met in 2012, and we've been married since 2019.

We always had a love for the lost, and throughout our whole relationship, we saw God calling us to dig wells; that means starting new things to share the gospel with people in the most different ways, so we knew when He brought us to the U.S. that He wanted to use us here.

About My Church Plant

We are currently working to plant Home Church Brazilian Celebration in Warren, Michigan. I am the lead church planter/pastor. We've also been supporting three other churches to start—one in Kalamazoo, Michigan, one in Grand Rapids, Michigan, and one in Windsor, Canada.

Home Church services happen on Sunday nights, and the Bible study on Friday nights. Besides that, twice a week we have free English classes for the community in addition to other projects.

We've always loved serving God through serving people. We love cooking and eating with them. We love showing them the love God has for them in different ways, and we would love to have you as a part of what God is doing through us! If you have any questions or you would like to talk to us, please don't hesitate to reach out! God bless you!
