CHRISTIAN CHALLENGE AT FORT LEWIS COLLEGE

About the Family

I was born and raised in Claremore, Oklahoma. I attended Fort Lewis College for a couple of years, then transferred to Liberty online and finished my history degree. I will be graduating with my Master of Theology from Dallas Theological Seminary in 2025. During my time at Fort Lewis, I was actively involved with Christian Challenge. I have volunteered in various roles within the church with a focus on serving the younger generation.

My wife, Marli, is also from Oklahoma but has spent the past 10 years in Texas. During this time, Marli served as a small group leader for high-school girls and focused on discipling the younger generation with one-on-one mentorship as well.

Marli and I were married in 2020 and welcomed our first son, George, in 2023. We are expecting our second son, Arthur, this spring.

About My Ministry

We hope to make disciples and disciple makers through intentional relationships where we shape faiths and worldviews. Fort Lewis is home to a diverse group of students, and we hope to love and serve them well while teaching the truth of Scripture and the Christian life.

Through family dinners, group activities, retreats and other opportunities, we will build intentional relationships. While focusing daily on theological discussions, Bible studies, and one-on-one discipleship in an effort to deepen and grow faiths.

Pray.

Participate.

Provide.

PRAY.

Pray for the work being done through Christian Challenge to the students of Fort Lewis College. Pray students who we encounter will be open to walking with us and that their eyes may see the true God. I humbly ask that you pray for my family as we adjust to a move and a new season of life. Pray for guidance for staff to minister well in truth and love to all that we encounter.

PARTICIPATE

If you live in the Durango area, you can participate more directly by helping with meals, retreats, hosting an international student or more. As a family, you could encourage us through gift cards, activities to do with our sons, notes of encouragement or any way you feel inspired.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
