REDEEMER BAPTIST CHURCH

## About the Family

I was born in Arkansas as the son of missionaries to Mexico, which is where I primarily grew up. Jordan was born and raised in northern California's East Bay.

Jordan and I met at California Baptist University (CBU) during our undergrad studies. We grew to be friends, dated and were married in early 2020. We are expecting our first child—a daughter—in August of 2023.

Through our experience of discipleship at CBU, we grew a heart for all nations to know God. We both launched into the joyous journey of helping others follow Christ during college, and we have been investing in others ever since. We passionately love the gospel, discipleship, good food and the cultural diversity of Southern California.

## About My Ministry

We serve on the discipleship staff of spiritual life at CBU. In addition to being the largest university affiliated with the Southern Baptist Convention, CBU is one of the fastest growing Christian schools in the U.S. with more than 4,000 residential students and a total enrollment of more than 11,000. Situated in Riverside, Calif., the school attracts more students each year through its location, athletics and many academic programs.

Our staff invests in lives to develop followers of Jesus who have a global vision for all nations to know Christ. We engage the student body with the gospel to help students know Christ and learn to follow Him in a reproducible way for a lifetime. Our hope is that all students at CBU come to know Jesus as Savior, obey Him as Lord and participate in His kingdom while belonging to a local church body.

### PRAY.

Please pray the students with whom we share the gospel will be saved. Pray that the students we are discipling will learn to love God and others. Pray the students we disciple will reproduce what we are investing in them in others. Pray the students we disciple will see God's heart for all nations and have a big vision to play a role in reaching the nations with the gospel. Pray for us as we raise financial support to minister effectively at CBU.

### PARTICIPATE

Pray for missionaries. Connect with missionaries and commit to being involved with their lives and through actively supporting them. We would love for you to consider partnering with us in our ministry, not simply giving financially, but by being part of what God is doing at CBU through prayer as we minister on campus to college students!

### PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
