REDEEMER COMMUNITY CHURCH

Find out how you can
Pray.
Participate.
Provide.

Please pray for us as we daily seek the presence of God in our lives and our family.

Pray for us as we develop financial and prayer partners who will join us in what God will do through Redeemer Community Church.

Pray for the lost in Burnaby who are waiting to hear the good news of Jesus' saving work on the cross.

Pray for the future core team members of the church. Pray that God would work in their hearts to develop a passion for His glory and compassion for those who don't have a saving relationship with Jesus.

Pray that God would help us see Burnaby through His eyes. Pray He would show us where He has already been at work so we can join Him there.

PARTICIPATE

Pray— Please join our prayer partnership team and daily lift us up in prayer.

Provide— Please financially support us through upfront resources, long-term monthly support and special event funding.

Participate— Please join in short-term missions trips.

Pass it on— Please tell other potential partner churches and individuals what God is doing through Redeemer Community Church, and invite them to join the effort.

About the Family

My wife, Maudie, and I are from Corpus Christi, Texas, and have been married since 2011. We have one daughter, Rose Mary.

I have experience in collegiate ministry and the real estate industry as a home inspector. Maudie and I were core team members of a multicultural church plant in Arlington, Texas, while I earned my Master of Divinity degree at Southwestern Baptist Theological Seminary. My seminary degree concentrated on North American church planting.

Maudie and I love serving the Lord together. We love helping new believers grow into healthy disciples of Jesus.

About My Church Plant

We moved from Texas to Burnaby, British Columbia in June 2021. We started Redeemer Community Church as a home Bible study in February 2022, then started public worship in September 2022. God is growing our church.

Burnaby is a densely populated, postmodern and multicultural city. More than half the residents are first-generation immigrants. God is bringing the nations to Burnaby. We have a vision to help fulfill the Great Commission by reaching the nations in Burnaby with the good news of Jesus Christ.
