SOVEREIGN HOPE CHURCH

About the Family

I was born and raised in Spokane, Wash. I became a Christian in early elementary school thanks to the grace of God working through my parents.

As a college student at the University of Montana (UM), I experienced intentional discipleship through a campus ministry that challenged and deepened my faith. I witnessed firsthand the incredible opportunity that these ministries have to reach students for Christ and develop disciple-makers who will go out into the world.

I graduated from UM in 2023 with a degree in ecosystem science and restoration and now have the privilege of being on staff with the same campus ministry that was so transformational to my faith.

About My Ministry

Jesus did everything required to save sinners and restore us to God. I get to share this message as I serve with Grizzly Christian Fellowship (GCF) on campus at the University of Montana. GCF is an extension of Sovereign Hope Church in Missoula, Mont. We operate as an evangelistic outpost of the local church, knowing the university is a strategic hub for seeing the gospel advance across the city, region and globe.

My ministry primarily consists of discipling female students one-on-one and in small group settings, connecting them to the church, equipping them to be disciple-makers, leading Bible studies, building community and praying for the Lord of the Harvest to send more laborers into His harvest at UM.

Pray.

Participate.

Provide.

PRAY.

Pray that God would transform students' hearts to be receptive to the gospel message. Pray that we continue to have favor on the UM campus and are able to use the facilities freely. Pray that I would have the boldness to approach students I knew when I was a student but am now interacting with in a different capacity. Pray that God would raise up more leaders in this role at UM so our efforts are multiplied among students.

PARTICIPATE

Please partner with me by asking God to change lives at UM. Second, consider partnering with me financially. This work could not happen except for the sacrificial giving of God's resources by His people for His kingdom. I would love to have you on my team.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
