CHICO COMMUNITY CHURCH

About the Family

I grew up in the small town of Alturas, Calif., and moved to Chico, Calif., in 2020. I became involved in the on-campus ministry, Christian Challenge, at California State University while pursuing a degree in psychology. Through Challenge, I was able to experience what a devoted, personal relationship with Christ is like and how to be a faithful follower of Him.

In fall 2024, I joined Challenge as a full-time staff. God has given me a deep desire to share His gospel with the students on campus and make disciples.

I enjoy sewing, being outside, learning about plants, spending time with my family and friends and investing in the lives of college students!

About My Ministry

Christian Challenge is an on-campus ministry that seeks to reach students for Christ and see Him transform their lives from the inside out. Our vision is salvation, transformation and multiplication. We focus on evangelism and one-on-one discipleship as we strive to meet and connect with the students on both the Chico State and Butte College campus through worship nights, small group Bible studies and fun events. We want to personally come alongside students as they navigate college and life and encourage them to take their next steps with Christ.

Pray.
Participate.
Provide.

PRAY.

Pray that the hearts of students will be softened to the gospel and open to receiving it.
Pray for boldness and stamina in both our staff and student leadership team as they are witnesses for Christ. Pray that our teams will be able to stand firm against enemy attacks.
Pray that I will immediately and obediently follow Christ's direction in my life.
Pray that through Challenge's ministry, many students will come to know and follow Christ for their whole lives.
Pray for more laborers to go out and share the gospel!

PARTICIPATE

Read my monthly newsletter to stay updated on the work God is doing through Challenge. Partner with me through prayer and giving as God uses me in this ministry. Pray that the gospel is spread boldly and swiftly, and that hearts are responsive to Him.
