REDEEMER BAPTIST CHURCH

Find out how you can
Pray.
Participate.
Provide.

PRAY.

Pray for the students at CBU who do not yet know Christ as their Lord and Savior and those who are continually being transformed into the image of Christ. Pray for wisdom and discernment in my ministry in order to teach and train well. Pray for more laborers to bring God's glory to the ends of the earth. Pray for God's provision in meeting our financial needs so we can minister effectively at CBU.

PARTICIPATE

Your partnership through prayer and donation is vital to my ministry and the advancement of the gospel. Help me become fully-funded so many will hear the gospel, be established in their faith and be equipped for a life of sharing the gospel outside of CBU. I invite you to be part of what God is doing on campus through joining my monthly support team and contributing to my needs as I seek to live out God's work in full-time ministry.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

About the Family

I grew up in Redlands, Calif., and attended California Baptist University (CBU) for higher education, where I experienced the impact of Challenge firsthand. God has used this ministry to change my life and give me a heart for seeing the gospel go to all nations.

The ability to walk alongside students during the most crucial period of their lives brings me great joy. I love to teach students how to live biblically and love Jesus dearly, give them tools to share their faith with others, and help them replicate discipleship with people around them.

In the season of life that college students are in, I believe they are reachable, teachable and send-able. I want students to have a big vision for how they can leverage their lives in taking the gospel to those who have never heard it before.

About My Ministry

Challenge is a discipleship ministry that seeks to love all, help many and train a few through meeting students where they are and helping them take next steps in their spiritual journey. California Baptist University has roughly 10,000 undergrads enrolled and an increasing percentage of non believers and international students. Through different opportunities and interactions, we desire to be disciples who make disciples and pass this model on to students. Students will then invest in the lives of others on campus, in their local church and through overseas opportunities.

Our hope is that students will participate in Jesus' Great Commission for the rest of their lives and have the knowledge that God's heart is that every tribe, tongue and nation will know His Son, Jesus Christ, and will worship Him alone.
