

Mang Siing

INTERNATIONAL HARVEST CHURCH AND MINISTRIES

About the Family

God has blessed me with a lovely wife, Thang Ngaih Kim, and three wonderful kids. Mang Sian Uk Evan is my eldest son (8), Thawng Siam Thar is my daughter (6), and Hau Sian Suong is my youngest son (4).

Our family motto is: "As for me and my household, we will serve the LORD" (Joshua 24:15). As parents, we consecrated all our children to love and serve our King Jesus and join God's kingdom mission wholeheartedly, joyfully and faithfully under the full empowerment and guidance of the Holy Spirit. We want to live a life that pleases God and blesses the nations by observing the Great Commandments and advancing the Great Commission.

About My Church Plant

Our ministry focus is on Burmese refugees, but we also reach out to the Afghan refugees and a halfway house in the Dallas-Fort Worth area.

We have children and youth ministries and group-by-group discipleship programs, a mercy ministry to the poor and practice door-to-door personal evangelism. Annually, we host a summer Bible camp (VBS) for children and youth.

We also partner with the churches and missionaries in Myanmar and send financial support to propagate the gospel among the unreached people groups.

PRAY.

Pray we would have the full empowerment and guidance of the Holy Spirit to win and disciple 300+ people in the next three years. Pray we will be salt and light and a blessing to our community, the U.S., our homeland of Myanmar and the nations just as God promises in Genesis 12:1-3 and Acts 1:8.

Pray that God would increase us in quantity and quality and provide financially in a significant way. Pray that God would provide the church property and pastor/missionary housing.

PARTICIPATE

Build relationships with the refugees, local people, Christian families in our community.

Send notes of encouragement, visit them and pray with them.

Celebrate their birthdays and anniversaries to show God's love and kindness in a practical way.

Pray for them regularly.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
