LOGOS BAPTIST CHURCH

About the Family

We are a couple in our late 20s who love evangelism and discipling other couples one-on-one. We love the Lord and want to see many people give their lives to Jesus.

About My Church Plant

Our ministry is reaching out to the children of Hispanic immigrants (second generation) in Brownsville, Texas. We ourselves are children of immigrants.

Our church plant is composed of about 80% college students and young families. We are an English-language church now branching out into the Spanish language.
