VINE CHURCH TAMPA

About the Family

My wife, Diana, and I were both born in Puerto Rico and were saved during our young adulthood. We have been happily married since 2011 and have two daughters, Anasofia and Mila. As a family, we enjoy talking, making jokes, as well as playing board games, and movie nights (especially superhero movies).

About My Church Plant

I have been serving as a pastor in Tampa since 2020. In 2023, with a strong sense of calling to establish a multicultural church to maintain generational unity in bilingual families (English and Spanish), I left my 17+ year career in the healthcare industry to attend the Pastors College in Louisville, Ky. Then, I returned to Florida to plant Vine Church Tampa.

The harvest is plentiful in the fast-growing area of New Tampa!

Many people are lost and need Christ. Population growth is expected to make the city younger and more urban with less religious background. There is a strong need for evangelism.

Worldly ideologies have led to broken individuals, families and communities, showing their need for redemption and an understanding of God's design for Christ-centered man and woman, singleness, marriage and parenting.
