NEW SALEM CHURCH

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for boldness to share the gospel and open hearts among the people to whom I minister.
Pray for people to come to saving faith in Jesus.
Pray for more to become missionaries and chaplains.

PARTICIPATE

Commit to long-term prayer support. Explore the opportunities to extend the reach of your church by becoming a chaplain. Be involved in supporting chaplains and their families. Send notes of encouragement. Talk with a chaplain about his or her ministry context. Send resources that support a chaplain's ministry context. Pray for chaplains and their families.

PROVIDE

NAMB does not provide compensation for SBC endorsed chaplains. However, a general fund is available to receive donations in support of the ministry and pastoral care to SBC endorsed chaplains. To donate, please visit Support Chaplaincy (missionaries.namb.net/projects/full/chaplaincy).

About the Family

I am a native of Raleigh, N.C. I have been married to Lisa, my wife, for more than 38 years. We have two adult sons.

I completed my undergraduate studies at Southeastern Baptist College and graduate/doctoral studies at Southeastern Baptist Theological Seminary and Liberty University. Additionally, I have completed a Clinical Pastoral Education internship and residency at a level 1 trauma center in Raleigh, N.C.

About My Ministry

I am an SBC-endorsed healthcare chaplain, ordained Baptist minister, licensed clinical mental health counselor supervisor, and a credentialed paramedic. Since 1994, I have been involved in chaplaincy and pastoral care/counseling. In 2022, I was appointed Director of Health Ministry | Chaplaincy at Carteret Health Care in Morehead City, N.C.

I have a passion for pastoral care and counseling within emergency services. Since 1983, I have been involved in emergency services and served as a behavioral health chaplain with several city/county fire/EMS agencies and hospitals in North Carolina. In this role, I respond to disturbing incidents and provide chaplaincy support services (e.g., critical care patient/family support, bereavement support, debriefings, etc.) to the community, emergency responders and healthcare providers.
