

Mark Stahl

LIFESPING CHURCH OF MAINE

About the Family

Mark and his wife, Andrea, have been happily married for more than 23 years. Their son, Zack is in high school in Hermon and their daughter, Darya, is in middle school in Hermon. They lived in Maine for 13 years, before work took them to the Chicago area for seven years. They have been back in Maine as church planters for just over two years.

Mark is bivocational, working weekdays as an operations manager for a pharmaceutical company, and Andrea is a payroll coordinator for United Cerebral Palsy of Maine.

About My Church Plant

LifeSpring Church was birthed in the living room of Mark and Andrea's home, starting as a small in-home Bible study group and growing into a young church reaching the lost in the Hermon/Greater Bangor area. LifeSpring Church focuses on building lasting relationships and spiritual growth, developing disciple-making disciples and sharing the gospel message within the community.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

For workers in the harvest to join in sharing the gospel message and building disciples.
For effective engagement opportunities and outreach efforts that build genuine relationships with the lost and open doors for sharing the gospel.
For receptive hearts among the people in the communities where we serve, resulting in transformed lives and growth for the kingdom of God.
For collaboration with other Christian churches in the area to share resources, build strength in unity and spur each other forward in reaching the lost.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with Mark and provide support for LifeSpring Church during their formative stage.
Commit to long-term missions support with your missionary partner.
Be involved in supporting missionaries and their families.
Pray for missionaries.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
