TEAYS VALLEY CHURCH

About the Family

Carrie and I have been married since 2010 and are blessed with three children: Jase, Lily, and Waylon. We are Ohio natives who love serving the Lord, spending time as a family, traveling, coaching sports, and building relationships in the community.

I have served in ministry for more than 20 years with a heart for preaching the gospel, discipling believers, and reaching the next generation. Carrie has faithfully served alongside me, investing in children, families, and the local church. We are excited to plant Teays Valley Church and help reach Pickaway County with the hope of Jesus.

About My Church Plant

We will serve Ashville, South Bloomfield, Commercial Point, and the greater Teays Valley communities with the hope of Jesus. We desire to glorify Christ, make disciples, build biblical community, and show compassion to our neighbors. As this area continues to grow, we believe God is opening a door to plant a gospel-centered church that serves families, partners with schools, loves the community, and sends people on mission. Through worship, discipleship, outreach, and everyday relationships, Teays Valley Church exists to help people know Christ and make Him known.
