THE WAY CITY CHURCH

About the Family

I was born and raised in London, England, and came to faith at the age of 19. I walked away from a television and theatre acting career to answer the call of God into full-time ministry. I have been in full-time ministry for more than 14 years, which has included roles as youth and young adult pastor, assistant pastor and director of evangelism.

I have a beautiful wife, Deborah, with whom I have been happily married for nine years. We are parents to two amazing children. Moses is 6, and Avi is 3.

About My Church Plant

My wife and I, along with our core team, are now planting a new church in Woodbridge, Va. Our church name is The Way City Church. We desire to be a missions-based, multi-generational, racially and economically diverse church who loves God passionately and has a zeal for the spiritual development of people.

God willing, our church launch date is February 9, 2020.
