CENTER CHURCH

About the Family

After graduating from the University of Virginia in May of 2024, full-time ministry is my next step. This has been my heart for a long time, and I cannot wait to see what the Lord does! In addition to ministry, you can find me going on walks, drinking coffee, cycling and traveling whenever the opportunity arises.

About My Church Plant

As a ministries resident at Center Church in Charlottesville, Va., I will be coming along my church to help the Body engage in God's mission. I will be building up believers to go, creating systems to care for those we have sent, and so much more!

The Lord is clear that His desire is to see many come to hear and preach His Word, and that is my heart in this work as well.
