KING'S TABLE CHURCH

About the Family

I grew up on the mission field with my family in Zimbabwe and Honduras. During this time God planted in me the desire to participate in the spreading of the gospel to the ends of the earth. In 2018, I was working as an administrator and supervisor of a children's home in a rural Honduran community. I loved my job and felt I was able to utilize my God-given talents well. I wasn't looking for a change or a new ministry opportunity. But when God presented me with the opportunity to join a church plant in Nova Scotia, He also gifted me with an undeniable peace about this plan.

I enjoy music, travel, baking, Georgia Bulldawg football, emergency yarn runs to the craft store with my nephews, and spending time with my family.

About My Church Plant

I am currently working at LifeBridge Church in Cole Harbour, Nova Scotia. LifeBridge has been such a blessing to our church planting team as we have acclimated to life in Nova Scotia over the past year. In the next year, we will be sent out from LifeBridge Church to plant King's Table Church in the surrounding community of Halifax. I am looking forward to using my experience in children's ministry and degrees in business administration and culinary arts to help engage our planting community and establish King's Table Church.
