CHICO COMMUNITY CHURCH

About the Family

Hi there! Thank you so much for taking the time to learn more about who we are and where we come from! Grace and I grew up in the Midwest state of Missouri. While she was raised in a more rural area with pastures and meadows, I was more of a “city” kid and was brought up just 20 minutes down the road. We both come from families of four and are also the youngest in our families.

Grace started her undergrad in Chico, California, but we met at Missouri Southern State University, where we both competed in track and field on the same team. We both graduated with bachelor’s degrees in biology and exercise science. Our hobbies and interests are Bible study, sports, movies, games, cooking and adventuring. We love people and making new friends wherever we go while also spreading and showing the love of Jesus to everyone we meet.

About My Ministry

As full-time staff members of Christian Challenge California State University, Chico (CSUC), Grace and I will join forces with a team of staff to perform on-campus outreach, disciple students, coordinate outreach events and equip students to create a movement of God on our campus. Through extensive prayer and effort, we will be actively involved in reaching lost and adrift students and encouraging Christian students to share their faith in the same way. Our goal is to share the gospel and discover innovative ways to connect with those far from God, all the while promoting the Great Commission to send laborers from our ministry.
