VALLEY LIFE CHURCH NORTH PEORIA

About the Family

Tracy and I have been married since 2011. We have a beautiful 2-year-old daughter whom we adopted as a baby. We are Colorado and Wyoming natives who moved around a lot through the military.

We are excited to plant this church and look forward to making disciples and planting more churches.

About My Church Plant

Valley Life North Peoria exists to serve the people of the northwestern part of the greater Phoenix Valley. With more than 200 people a year moving to this area, we hope to provide the hope of the gospel to the new people moving in or surround believers moving into the area with gospel community.

Ultimately, we don't exist for ourselves but exist to train up disciples who can plant more churches that plant churches. The desire isn't to be a mega church but a mama church that plants churches to the fourth generation.
