AWAKEN CHURCH

About the Family

Krystal and I have been married since June 2008 and have two little warriors named Gideon and Titus. We love having people over at our house, love talking to people about faith and love having adventures! We are excited to see how God uses us to wake people up to what faith is and how Jesus can change their lives!

About My Church Plant

Awaken Ministry was launched August 2, 2020, right in the middle of the pandemic. It has been an adventure and a story that only God could write.

We are hopeful and expectant as God uses us to help all people hear, know and live for Christ. We want nothing more than for people to belong to Christ and to have a Christ-centered community that helps them be transformed by the Bible.
