About the Family

I grew up in Lafayette, Colo., and my wife, Cassie, grew up in Evergreen, Colo. We met in college at the University of Northern Colorado and got married in May 2020. This was shortly after Cassie graduated (spring 2020), and a year before I did (spring 2021). Cassie has a degree in elementary education, and I have a mathematics degree.

After I graduated, we moved to Colorado Springs to follow where the LORD was leading us—to full-time ministry at the University of Colorado at Colorado Springs (UCCS).

We have two daughters. Our oldest, Ruth, was born February 25, 2022. Lydia was born July 11, 2023. Both of our girls bring us so much joy, and it has been wonderful to get to know them better!

About My Ministry

Cassie and I started vocational ministry in fall 2021, and we still are very excited about what the LORD will do through us each and every day! We serve with Christian Challenge at UCCS, which is part of the Baptist Collegiate Network.

Challenge started at UCCS in fall 2008. Christian Challenge at UCCS helps students know Jesus more through Bible studies, mentoring students, and encouraging fellowship, community and evangelism on campus.
