#### **PRAY.**

As followers of Christ we have been gifted with the power of prayer. We are told to ask and we shall receive. We would love for you to pray a few specific prayers for us. One, that the leaders and I seek the Lord and allow Him alone to lead and be glorified. Two, that the Lord equip us for the work of reaching the heart of the culture the Lord has placed us with the truth of the gospel. Three, that the Lord will continue to open doors He wants opened and close the ones He wants closed as we prepare to launch in our ministry, families and personal time as we seek Him.

#### **PARTICIPATE**

The primary way to participate is to lift us up to the Father. We also have a need of financial support to help cover financial stability as we are preparing to launch in a few weeks. This will help us reach long-term sustainability and growth. Strategic partnerships are another great way to participate. Whether through networking or resources, this connections are invaluable.

#### **PROVIDE**

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
