WAYPOINT WENTZVILLE

About the Family

My wife, Arrica, and I met in high school in northeast Oklahoma and married in 2004. We have served together in ministry for more than 20 years, and church planting is our passion. I am a veteran of the U.S. Marine Corps. We have four children: Isaac (18), Gavyn (16), Seanna (14) and Kadence (10).

About My Church Plant

After planting churches in the Greater Toronto Area with our Send Toronto family for nearly 11 years, God called our family to the Seattle Metro area in 2022. In 2023, we began conversations with our sending church (Waypoint) about starting a new campus plant in one of the fastest growing communities in all of America—Wentzville.

Having engaged the harvest through prayerwalking, evangelism and service projects for more than a year, we officially launched in October of 2024. God has and is blessing Waypoint Wentzville greatly! I also have the great privilege to serve planters across the state of Missouri with our Send Network Missouri team.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray we will stay humble and walk fully in the power of the Holy Spirit. Pray for our marriage and family. Pray for 10 new church planting residents over the next two years at Waypoint Church.

PARTICIPATE

Our vision at Waypoint is to truly become a movement church. We desire to raise up and send out a church plant annually. If you have a leader who is looking to be developed toward pastoring and church planting, please reach out. Also, here are just a few of the ways teams can engage with us: prayerwalking, door-to-door surveying/evangelism and community events.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
