BEDROCK CHURCH MADISON HEIGHTS

About the Family

My wife, Stephanie, and I met at Liberty University, in a music theory class of all places! We were married in 2020 (yay pandemic wedding!) and have been following the Lord's call to be active members of our church ever since.

We have been blessed to call the Bedrock network of churches home since well before we were married, and we are excited to be a part of a new church plant in Madison Heights. We enjoy camping, hanging out with friends, playing board and card games, and making music in our free time.

About My Church Plant

In 2024, my wife and I were asked to become part of the church planting team to Bedrock Church Madison Heights. After much prayer and consideration, we joyfully decided to jump in and see where the Lord led us. I have the privilege to serve as the bivocational worship leader for our church, and Stephanie is a stay-at-home mom and serves as the AV team leader.

We are blessed to be able to work as a team in pursuit of the mission of Bedrock Church Madison Heights to glorify God and make disciples. We are excited for you to join us in helping to proclaim the gospel in Madison Heights!
