DEL CERRO BAPTIST

## About the Family

My wife, Lucy, and I have been involved in college ministry at San Diego State University for 10 years. Currently, we are helping Del Cerro Baptist Church establish a college/young adult ministry with a focus on discipleship and deep biblical teaching.

We have three children—a 6-year-old daughter, Nora, and two infant twin boys, Isaiah and Daniel.

## About My Ministry

We believe college students are the future. In college, people are making decisions that will affect the rest of their lives. We believe that if they choose to follow Christ with their whole hearts while in college, it will not only affect them but also their future families, the people around them, college campuses and the world in which we live.

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant.
