REDEEMER CHURCH NORMAN

About the Family

I grew up in Wyoming and in Ecuador as a missionary kid and graduated from the University of Oklahoma (OU) with a bachelor's degree in Letters and minors in Spanish and nonprofit organization. I am currently pursuing part-time my graduate degree from OU in Teaching English as a Second Language. God used my experience in elementary school overseas to shape my heart for the nations, and I have never doubted that I would go into full-time ministry, whether that be here or abroad.

In college, God changed my faith walk through the way I saw the community of the OU Baptist Collegiate Ministry (BCM) value discipleship, and I feel so blessed to be part of the work God continues to do in the lives of students at OU.

About My Ministry

I am a campus minister at the University of Oklahoma Baptist Collegiate Ministries, where our mission is to help students know, love and glorify God. I focus on women's and international student outreach. I am also passionate about mobilizing local students to reach the nations!

PRAY.

Please pray that many students will come to know Christ through the ministry here at the BCM and will come into Christ honoring discipleship relationships. Pray for revival on the OU campus and that many believing students will be sent out from OU to reach the nations. Please pray for continued boldness and renewed strength for all campus ministers at OU.

PARTICIPATE

I would love to have you be part of God's work at OU. Please consider supporting me or the BCM financially, and especially in prayer. I will be sending out monthly newsletters and updates. I would also LOVE to hear from you!
