GOSPEL COMMUNITY CHURCH

About the Family

Rachel and I have felt a burden to bring people into a relationship with God through the gospel of Christ in a way they can culturally understand and that is not distorted by the culture in which we live. We are focused on building friendships and making disciples before we start having kids of our own.

Winchester has been in our hearts for a while. There are a few very small churches, but there are hundreds of new homes being built each year. Winchester is going to be our home until God calls us away.

About My Church Plant

My ministry focus is on discipleship, teaching people to preach the gospel story to themselves, to resolve issues in their lives, and to apply the gospel story in conversation with the people around them. Much of my preaching, teaching, and counseling lives on this idea that Jesus' coming, life, death, resurrection, ascension and return is the thing that changes everything for us. Gospel Community Church's philosophy of ministry is simple: know the gospel and go make friends.

PRAY.

Pray for boldness to share the gospel and open hearts among the people to whom we speak
Pray that through this ministry, more people would come to saving faith and live on mission.
Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

You and your church can support us in lots of ways! Help us during a property workday as we are buying a property that needs a lot of work. If you know anyone in the city of Winchester, help connect us so we can serve them and partner with them to reach their community. You can directly support us by engaging with us on social media and praying for us. We could also use financial support. We are desperately trying to get children's spaces.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
