

Michael Hill

BRIDGE COMMUNITY CHURCH

About the Family

Michael and Shannon have both had a passion for the nations for several years. They served through the International Mission Board (IMB) for two years in East Asia, where their ministry focused on college campuses. This consisted of planting a house church and mapping and collecting data for future work on more than 100 campuses in a major strategic city.

Two years after returning home they brought home their first daughter, Promise, adopted from China in 2012. Then in September 2017, they brought home a second daughter, Mercy Lin, from China.

Altogether, Michael has more than 17 years of ministry experience working with students both in the U.S. and overseas. He has also been responsible for organizing several missions trips domestically and internationally, training and equipping people to go and mobilizing several to serve long term.

About My Church Plant

Bridge Community Church is a church plant in the Queensboro Plaza area of New York City that launched on Easter, April 21, 2019. It is the most socioeconomically diverse neighborhood in New York City and has 14 known languages and the nation's largest housing project all in a five-block radius. It is a gateway to the rest of Queens. We have also begun work in Sunnyside, Queens, with the hope of one day planting a church there.

We, along with a few other churches, have the vision and plan to plant multiple cross-cultural churches throughout Queens. Queens is one of the most ethnically and culturally diverse neighborhoods in the world and has more than 2 million people total. More than 130 nations are represented and more than 180 languages spoken along Line 7 and approximately 18 unreached people groups.

Find out how you can
Pray.
Participate.
Provide.

PRAY.

- For God to continue to give us favor with the people of Queensboro Plaza and to lead us to persons of peace whose hearts have been prepared to hear the gospel.
- For the discipleship and training of new believers
- For the people with whom we continue to build relationships in the city.
- For more ministry partners
- For the salvation of our youngest daughter, Mercy Lin, and the spiritual growth of our older daughter, Promise.
- For the relationships our family has with people in the neighborhood and for leaders to emerge.
- For the new work in Sunnyside as we look to plant a church in that neighborhood in the future.
- For Shannon as she continues to connect with ladies and young mothers.

PARTICIPATE

- Connect as a Sending Church or a Supporting Church with our efforts in planting more churches cross-culturally in Queens
- Commit to long-term missions support of the Hills by praying for them regularly and supporting them monthly.
- Subscribe to the Hills' monthly updates

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church
