EMMANUEL COWBOY CHURCH

### About the Family

Hello, my wife, two teenagers and I recently moved to the Jonesboro/Brookland, Arkansas, area to plant Emmanuel Cowboy Church.

God has moved pretty fast in my life. I came to faith in Christ at the age of 27, and now I'm 38 and have daily experienced Him transforming my heart. I've preached the gospel from Third World countries to near home in the backyard. I have found that everyone is in need of the same salvation and deliverance from the penalty and power of sin.

### About My Church Plant

I started a cowboy church when I was introduced to the cowboy church world in 2017. I fell in love with the atmosphere, unique atmosphere and different environments to pursue evangelism and discipleship to an unreached people. Coming from somewhat of a rodeo background and blue collar background of recent workforce God has equipped me for this ministry and the people it draws.
