STARTING POINT CHURCH

About the Family

I have been married to my beautiful wife, Maria, for 21 years. We have four beautiful children: Isaiah (20), Mia (18), Elena (12) and Ethan (11). I hold an Associate of Arts degree from Rancho Santiago College, a Bachelor of Ministry degree, a Master of Ministry degree from Luther Rice University and am currently pursuing a Master of Divinity at Luther Rice University.

I have been a pastor for almost 20 years. I served as associate pastor in downtown Los Angeles at the Brooks.

About My Church Plant

We are planting Starting Point Church in Westminster, Calif. Starting Point Church was founded in 2018 with the intention of being a real place where real people find real help and connection with God and others. Starting Point Church is a determined community of believers who embrace the lost and hurting by loving them where they are in life and loving them into our community.

Starting Point started meeting in January 2019 with 15 people in the front room of a house. We did our first "Taco Party" park outreach event in April 2019. Our group then doubled in size. In June of 2019, we did a "Hamburger Bash" outreach. We witnessed several commitments to Christ from this event. Now, our core group has grown to about 45 people. We have seen more than 20 people come to a saving knowledge of Jesus Christ.
