About the Family

My wife, Alba, and I come from the Dominican Republic. I met our Lord Jesus Christ as my Savior in March 2009. After serving in the church for a long time, in 2013, I received the call of God to dedicate myself to full-time ministry. I wanted to be a pastor/missionary. In 2014, by God's providence, I went to the Rio Grande Seminary in Texas to prepare for ministry.

Alba studied in the same seminary. We graduated in 2017 and undertook this adventure to attend to our call.

About My Church Plant

In June of 2018, God gave us the opportunity to start a Hispanic church in the city of Lebanon, Ore., through the Northwest Baptist Convention, the North American Mission Board and Trinity Baptist Church. Thank God, it has been one year since planting in our community. God has blessed us by helping us have contacts with whom we are developing relationships and sharing the gospel.

By the providence of God, we have begun two home Bible studies. After almost a year, God gave us our first believer. We have seen growth and change for good in a sister in Christ. Her faith and commitment to Christ is strong. We have seen the hand of God at work, and we will continue to see it in different ways. We are happy to spend our lives in the service of God, and we continue to be expectant of what He will continue to do in our community.

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
