About the Family

I am a follower of Jesus Christ, husband, father, grandfather, and pastor with over 40 years of ministry experience. My sweetheart, Mildred, and I are blessed with three daughters—Eliana, Daria, and Abigail—and our granddaughter, Gianna. We love Christ, His Church, and our community and are grateful to serve Him together in this new season.

Originally from Ghana, I began pastoral ministry as a young man and have planted and led churches in Ghana and the United States. After 34 years in banking while serving as a bivocational pastor, I retired in 2024 to devote myself fully to ministry. I hold an M.Div. and a Ph.D. in Bible Exposition and am passionate about helping people deepen their walk with Christ through biblical preaching, prayer, spiritual formation, and disciple-making while developing servant leaders.

About My Church Plant

Mildred and I are passionate about planting HopeGateway Church in Severn-Odenton, Maryland, sponsored by Canvas Church, Salisbury, Maryland. Our mission is to reach people with the gospel, help them experience the transforming power of Jesus Christ, multiply mature disciples, develop servant leaders, and serve our community for God's glory.

Inspired by Hosea 2:15, we envision a Christ-centered, biblically faithful, Spirit-led church where people from all backgrounds encounter God's grace, find authentic community, grow in faith, and discover their God-given purpose.

Through worship, biblical teaching, prayer, small groups, equipping classes, personal discipleship, and compassionate community outreach, we seek to equip believers to live out their faith, share the gospel, serve others, and make disciples who make disciples.
