HOREB COMMUNITY FELLOWSHIP

## About the Family

I am married to Taika, and we will celebrate 10 years of marriage on July 24. We humbly serve our community, including working with couples to restore and strengthen marriages by the grace of God. We are passionate about helping people experience a genuine, transformative relationship with Christ rather than religious tradition, and about teaching biblical love for God and one another. We are also prayerfully trusting the Lord to bless us with children as we continue to seek His will.

## About My Church Plant

Horeb Community Fellowship (HCF) is a Christ-centered church in the Dallas-Fort Worth (DFW) area committed to making disciples and reaching the lost with the gospel of Jesus Christ. We exist to glorify Christ by cultivating a Spirit-filled community where people grow in faith, experience authentic fellowship, and are equipped to live on mission.

HCF Dallas is a multicultural church serving French-, Creole-, English-, and Spanish-speaking communities with a strong focus on Next Generation ministry, biblical teaching, and compassionate outreach. Our desire is to see transformed lives, healthy families, and multiplying disciples who impact their neighborhoods and the nations for Christ.

### PRAY.

Pray for two outreach projects: a Blessing Store that provides food and clothing weekly to our church and community, and a coffee shop that serves as both an evangelism tool and an income source. Also, pray for a permanent facility as we grow and for more souls to come to Christ.

### PARTICIPATE

We welcome participation through prayer, serving, and outreach. Come join us in evangelism, discipleship, Next Gen ministry, and acts of compassion as we serve families and share the transforming gospel of Jesus Christ in our community and beyond.
