### PRAY.

Pray that students at CBU will be transformed by the gospel.  
Pray that God would raise up laborers as Challenge staff invests in students on this campus.  
Pray for God's continued provision in my life so the work of ministry here can continue.

### PARTICIPATE

Your partnership through prayer and giving is vital to my ministry, and I am thankful. I'd love for you to be a long-term, monthly partner, contributing financially to my needs as I seek to live out God's work in ministry here.

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

## About the Family

Over the past several years, I have served through Challenge at California Baptist University (CBU). After graduating from the University of Georgia with a degree in education, I served with the International Mission Board (IMB) as a journeyman in Southeast Asia and developed a sincere heart for ministry and missions work. Now as part of Challenge, the campus ministry at CBU, I see how the college years are such a critical time and that college students are more reachable, teachable and sendable in this season of life than in any other season. I love being able to help them understand God's heart for all people to know Him, teaching them how to live biblically and encouraging them to pass that on to others both on campus and in the church

## About My Ministry

California Baptist University is in Southern California and has an on-campus population of about 3,000 with more than 8,000 students total in attendance. The student body is very diverse and includes a large international population as well as a rapidly increasing non-believing one. Challenge invites students to know Christ, challenges them to live their lives as biblical followers of Jesus and encourages them to teach others to do the same. We desire to be disciples who make disciples and pass on that same biblical pattern to students as they in turn invest in the lives of students on campus, in their local church and through overseas opportunities. I hope they will believe that God's heart is for every nation, tribe and tongue to know His Son, Jesus Christ, and to worship Him alone.
