FOCUS FELLOWSHIP CHURCH

About the Family

I was born and raised in the South Bronx, and I am, of course, a spoiled Yankee fan. LOL

I have three children. Jennifer is 28, Joel is 25, and Aaliyah is 18. They are my everything. They have kept me busy and focused. I am not married, so time with the kids has been a one-parent show, which birthed a healthy and strong relationship between us. We vacation together, we hang out together, and we even began attending church together and accepted the Lord in our lives at almost the same time.

I am big on family, and I have passed that along to my kids.

About My Church Plant

The Bronx is where God called me to bring His gospel. Focus Fellowship Church is passionate about being a church that serves our community. We have an amazing core team of beautifully diverse folks who are helping to plant Focus Fellowship. The Lord has been there from the beginning to see us through and to overcome whatever challenges we may encounter.

Our faithful serve team has also risen to the calling, and they, too, have been an amazing asset to not just the church but to the community. As I type, we are in a meeting preparing for a church cookout.

To see all God has done in this process has been inspiring and gives us the reason to believe that the BEST IS YET TO COME!
