CORNERSTONE CHURCH

About the Family

My wife, Emily, and I are from Ruston, Louisiana. We have three wonderful kids, Melody, Madilynn and John Mark! We both graduated from Louisiana Tech, and later I graduated from Southwestern Baptist Theological Seminary. We are blessed that Emily is able to stay at home with our children. We are currently in Calgary, Alberta, Canada, preparing to launch a new church plant.

About My Church Plant

Emily and I have been called to reach those to whom the gospel is not readily available. We desire that all have the opportunity to experience God's love, forgiveness and grace as we have. We are working to build strong relationships within our community through nursing, mom's groups and the kids' school. As the church grows, there will be a great focus on discipleship and community outreach. We hope to develop leaders within our ministry so we can multiply into other communities. We pray God will transform individuals in a way that will lead to revival throughout Calgary.

PRAY.

Pray God begin to soften the hearts and minds of the people of Calgary. Pray that through this ministry, more people would come to saving faith and live on mission. Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

Pray for us individually and for the ministry.

We need kind and uplifting words, notes, calls. Remember our girls as they learn to love their new home. Learn birthdays and anniversaries, so you can send gifts and cards.

Find ways to give that will meet daily and ministry needs.

Consider coming on mission to Calgary and participate in VBS, Prayer Walks, soccer camps, block parties, etc.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
