MISSION CHURCH NEW HUDSON

About the Family

Tara and I grew up in southeast Michigan. I was saved by God's grace at a young age while attending Wixom Christian School. Tara responded to the gospel in her bedroom when she was 15. We started dating in high school and were married in 2001. We began serving together in youth ministry when we were 18 and have been serving together ever since.

We moved to Arizona in 2002 to serve at Northern Hills Community Church. Serving there was one of the greatest privileges we could have imagined. The church was a life-giving community for our family and we thought we would never leave. However, God had other plans. We believe God has led us to plant Mission Church in New Hudson, Michigan, and join God's activity to plant other churches in Oakland County.

We have six children ranging in age from 5 to 19.
