LIFE COMMUNITY CHURCH

About the Family

I had the pleasure of growing up in Canada while my family served as North American Mission Board missionaries. During this time God captivated my heart for church planting and missions. God relocated my family to Georgia, where I graduated high school and went to college.

My wife, Tarin, and I met when we were 16 in a candy store in her hometown of Edisto Island, S.C. I was on vacation, and she was working at the candy store. We got married several years later and knew that God was calling us to serve Him in His church.

We moved to New Orleans to attend seminary and moved to Boston in the summer of 2020.

About My Church Plant

Tarin and I served at Lakeshore Church while in seminary. I served as Pastor of Shepherding and Discipleship, and Tarin served through her counseling ministry and ministry to women. During this season, God birthed in us a passion for church planting. He has now called us to plant Life Community Church in Weymouth, Mass., where I serve as the lead pastor.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray God will soften the hearts of people in Weymouth and for them to be receptive to the gospel. Pray God will build His church by bringing people to faith in Jesus and maturing those who call Him Lord. Pray God will give Life Community Church opportunities to participate in holistic restoration in the city of Weymouth. Pray God will multiply our efforts and raise up leaders within our church who will be sent out to plant more churches.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work. Commit to long-term missions support with us as your missionary partner. Be involved in supporting missionaries and their families. Pray for missionaries.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
