RIVER CHURCH NORMAN

About the Family

Hello, my name is Noble Paddyaker, and I am married to the lovely Cassidy. We have a wonderful son named Deyo. I am a native Okie, and when it was time to go to college the choice was obvious; I would earn my bachelor's degree in entrepreneurship from the University of Oklahoma (OU).

After graduation, I spent some time in Texas preparing to go into full-time ministry. While there, I earned my Master of Divinity degree from Southwestern Baptist Theological Seminary and was poured into by Hope Church.

About My Ministry

I am currently serving as a collegiate missionary at OU. My focus is on our student leadership program and our large group gathering.

Right now our main prayer requests revolve around being faithful to Jesus and that the ministry He has given us will be fruitful.

PARTICIPATE

You can participate in the ministry by lifting us up in your prayers. We cannot do this without God's help. We also need financial partners to be in Norman and invest in college students.
