AGAPE MYANMAR MISSION

About the Family

By the grace of God, I was born in a very good Christian family in Chin Hills, Myanmar (Burma). My grandfather was the first Christian in my village. He was baptized by an American Baptist missionary named Dr. J.H. Cope in 1936 before World War II. He became the first minister of the gospel in my village. My father and I are second and third generation ministers of the gospel—to God be the glory. After my college years in Myanmar, God opened the door for me to study Theological Education and Missions in India for seven years. In 1999, during my first year in seminary, I was really born again into God's family and made a passionate decision to serve the Lord with all my heart and life. After completing seminary, my family and I had a great opportunity to do church planting work in Malaysia and Thailand among the Burmese migrant workers and refugees for 10 years. In 2014 God opened the door to evangelize and plant churches among the Myanmar (Burmese) communities in United States. Right now we are planting Agape Myanmar Mission Church in San Diego, Calif.

My wife's name is Nu Mawi. We have two sons. Daniel Lian is 6 years old, and Matthew Lian is 4. Our family motto: With God all things are possible. Live for a mission and give thanks always!

About My Church Plant

Agape Myanmar Mission is reaching out to the Myanmar (Burmese) Buddhist, Animist and Muslim immigrants and refugees communities in San Diego County. By the grace of God, more and more Burmese people are coming to know the Lord through our ministry. Our strategies are:

- Praying to God to open our people's hearts and minds.
- Helping and meeting their physical needs.
- Sharing the good news in a clear, simple and contextualized way.
- Visiting their homes for meaningful Bible study.
- Discipling them as we walk and live in communities as Jesus did.
- Having a wonderful celebration worship service on Sundays at the church and Saturday nights at home.

PRAY.

- Please pray for me and my family especially. We really need God's protection, empowerment and provision. Without God we can not do anything.
- Please pray for the Burmese people so God will open their hearts, minds and souls to accept salvation through Christ Jesus.
- Please pray for job and affordable housing opportunities for our Burmese refugee communities. Many of them are looking for jobs and housing.

PARTICIPATE

- Connect as a Sending Church or a Supporting Church with a missionary's work
- Commit to long-term missions support with your missionary partner.
- Be involved in supporting missionaries and their families.
- Pray for missionaries.

PROVIDE

- Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
